REMARKS

Box PATENT APPLICATION
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The above-captioned application is a continuation of International application number PCT/US99/26993 (designating the United States) filed on November 15, 1999 to which priority is claimed under 35 U.S.C. §120.

The Specification has been amended as follows:

The related applications paragraph has been amended in the specification.

The Specification, including the brief description of the drawings, has been amended such that the numbering of the drawings corresponds with the numbering of the formal drawings filed concurrently. No new matter has been added.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
